The breakdown for public records request statistics tracked\* in 2015 is:

**1/1/2015 to 4/30/2015†:**

Total known requests‡: 92  
Total Released: N/A  
Total Withdrawn: N/A  
Total Denied: N/A  
Total Referred To Another Agency: N/A  
Total Standing Requests: N/A  
Total Requests Still Open: N/A

**5/1/2015 to 12/31/2015†:**

Total tracked requests: 213  
Total Released: 121  
Total Withdrawn: 15  
Total Denied: 52  
Total Referred To Another Agency: 20  
Total Standing Requests: 2  
Total Requests Still Open: 3

**From May-December 2015, on average, the AGO:**

- Released (either in full or partially) 56.80% of requests
- Denied 24.41% of requests
- Had 7.04% of requests withdrawn
- Referred 9.38% of requests to the appropriate agency
- Standing Requests: .94%
- 1.40% of requests open and being processed

**Things to note:**

- Released: Refers to requests fulfilled either partially or in full; with or without redactions.
- Withdrawn: Refers to requests that were received by the AGO but withdrawn prior to fulfillment or denial.
- Denied: Refers to requests denied due to statute(s), case law (including attorney client privilege and attorney work product privilege), or Arizona Administrative Code(s) preventing disclosure; no responsive records exist; or records were previously destroyed pursuant to approved retention schedule(s) and AGO no longer has the record.
- Referred: Request was sent to AGO but was more appropriate for another agency.
- Standing: Refers to requests that have neither been fulfilled nor denied due to an ongoing, standing request.
- Open: Refers to requests that have neither been fulfilled nor denied because they are still being processed.

*\*Tracked: Refers to all known and tracked AGO PRR's. This may not include many CRD records requests (confidentiality applies) or requests that have come in and were processed without COM/EXO's knowledge.*

*† I was hired in May 2015 to revamp the public records process for the new administration. Data is not complete prior to May 2015.*

*‡ Additional requests may have been received from January 2015 to April 2015 but unable to determine date or other information in order to correctly tally any of the numbers.*
